PROJECT DESCRIPTION

Project Name: Emergency Bertha Peak Power Pole Replacement

Project Description: There is substantial evidence that immediate action is needed to prevent or mitigate the threat to life, health, property and essential public services posed by the damaged power line that provides power to the Bertha Peak Communication site, which constitutes an emergency to mitigate a potential risk of forest fire.

Location: Bertha Peak Communication Site, Big Bear, CA

APN: 031317102

Reasons why the Project is exempt:

This project proposal is exempt from CEQA as an emergency project under section 15269, subsection (b) and (c) of the CEQA Guidelines and Public Resources Code Section 21080 (b)(2) and (4) which apply to emergency repairs to publicly or privately owned service facilities necessary to maintain service essential to the public health, safety or welfare, as well as actions necessary to prevent or mitigate an emergency. Emergency repairs include those that require a reasonable amount of planning to address as anticipated emergency.
