

CITY OF HIGHLAND NOTICE OF INTENT TO ADOPT INITIAL STUDY/MITIGATED NEGATIVE DECLARATION

Pursuant to Title 14 of the California Code of Regulations, Sections 15072 and 15073, this is to advise that the City of Highland, which is the lead agency overseeing this Project, has completed a Mitigated Negative Declaration for the proposed Project described below.

PROJECT TITLE:

7394 Central Avenue Residential Development Project - Initial Study/Mitigated Negative Declaration No. ENV 24-002, CUP 23-010, GPA 24-001, ZC 24-001, TTM 24-001

PROJECT LOCATION:

7394 Central Avenue
Assessor's Parcel Numbers (APNs): 1192-341-11-0000, 1192-361-45-0000, and 1192-361-47-0000

To be determined. Separate noticing will be given for public meetings/hearings.

SCHEDULED PUBLIC MEETING/HEARING:

PROJECT DESCRIPTION:

The Project proposes to demolish all on-site improvements, including the existing single family residential structure, and construct 79 new detached small lot homes on the 8.3-acre Project site, including a gated entrance, a common open space and recreation area, guest parking, and a detention/water quality basin. To accommodate this proposal, a General Plan Amendment and Zone Change are requested. The General Plan Amendment would change the land use designation from Low Density (2.1-6.0 dwelling units per acre (du/ac)) to Planned Development. The Zone Change would change the zoning classification from R-1 - Single Family Residential to PD - Planned Development. The proposed community would have a density of approximately 9.5 du/ac.

The frontage along Central Avenue would be improved to include sidewalks and a landscape parkway. The existing overhead electrical lines along Central Avenue would be placed underground. A detention/water quality basin would be constructed in the southern portion of the site and provide a connection to the existing public storm drain within the Crest Street right-of-way.

The proposed Project would dedicate additional right-of-way for both Central Avenue and Crest Street.

state's EnviroStor database for a recognized hazardous waste environmental condition. Initial Study/Mitigated Negative Declaration ENV 24-002 is based on the finding that, by implementing the identified Mitigation Measures the Project's potentially significant environmental effects will be reduced to levels that are less than significant.

PUBLIC REVIEW & COMMENT:

The City invites you to comment on Initial Study/Mitigated Negative Declaration ENV 24-002. The public review period begins **July 9, 2024** and ends on **August 7, 2024**.
