Project Location: The project site encompasses the existing, 20.3-acre 15th Street flood control detention basin (basin) located south of the Upland Hills Country Club in the central-eastern portion of Upland in San Bernardino County (Assessor's Parcel Numbers [APNs] 1045-121-04 and 1045-151-35.) (See attached Vicinity Map).

Project Description: Development on the western 9.16-acre portion of the 15th Street flood control basin consisting of 65 single-family residences, private community facilities, and ancillary features/improvements; modification of the remaining 11-acres of the 15th Street flood control basin east of the proposed residential development to retain the basin's stormwater and flood control capacity; the extension of 15th Street from southwest corner of the project site to the Campus Avenue; and development of a 0.15-acre public pocket park on 15th Street near the north end of Fernando Avenue. A 4.29-acre area at the extreme eastern boundary of the basin would remain unaffected by project activities.

Public Meeting Dates: Public hearing(s) for the Upland Planning Commission and the Upland City Council to review and consider the project will be held upon completion of the public review period. The public hearings will be held in Upland City Hall Council Chambers, 460 N. Euclid Avenue, Upland, CA 91786. The date of any required public hearings will be determined at a later time and will be posted pursuant to City Guidelines and Section 15002 of the CEQA Guidelines.

Public Review Period: The Draft EIR was previously circulated for a public review period from May 28, 2024 to July 11, 2024, pursuant Section 15105(c) of the CEQA Guidelines.
