

**COUNTY OF SAN BERNADINO  
CITY SELECTION COMMITTEE**

**SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT (South Coast AQMD)**

The South Coast AQMD is charged with developing and implementing a comprehensive basin-wide air quality management plan for the counties of Los Angeles, Orange, and the non-desert portions of Riverside and San Bernardino Counties. The governing board consists of one person appointed by each of the following: the Governor, the Speaker of the Assembly, the Senate Rules Committee, and the Mayor of the City of Los Angeles from among the members of the Los Angeles City Council; a County Supervisor from each County; and one elected official from the cities of each County, except for Los Angeles County, which has two. The governing board usually meets on the first Friday of each month and has committee meetings throughout the month.

Mayors and City Council members of the South Coast AQMD member cities are eligible to serve on South Coast AQMD. As a reminder, the successful candidate must have not less than a majority of all the cities included in the south coast district having not less than a majority of the population of all the cities included in the south coast district.

Individuals seeking more information about responsibilities of South Coast AQMD Board member position should contact Faye Thomas, South Coast AQMD Clerk of the Boards, at (909) 396-2500.
