Resource Conservation Districts – Director Application

Instructions and Additional Information, Continued

After the application submission deadline

After the application filing period has closed, applicant eligibility will be verified. The applications of eligible applicants will then be forwarded to the San Bernardino County Board of Supervisors for review; the Supervisors may coordinate interviews with the applicants.

Role of the Board of Supervisors

If the Board of Supervisors decides to make the appointment(s), an item will be placed on the Board agenda. Appointees will receive notification from the appropriate Resource Conservation District.

If the Board of Supervisors does not make the appointment(s) within 60 days after the expiration of the terms (the last Friday in November), the Board of Directors of the Resource Conservation District may make the appointments.

Information about the position

Resource Conservation District Directors serve 4-year terms expiring on the last Friday of November of the appropriate year. Candidates should have a demonstrated interest in soil and water conservation. If you have questions regarding the specifics of the District, please contact them directly at the number provided below.
